ABOUT US:

It is our pleasure to provide our products to our customers in the best possible way, in accordance with modern world standards, which has an acceptable quality in a competitive market. We are proud that our young and dynamic team is always looking to create value for its loyal customers, which is increasing the number of our family members every day. Getting started is the beginning of our responsibility and commitment.

Beluga Caviar

Special Reserve Beluga Caviar – the largest, firmest and most elegant Beluga caviar available. The colored is light grey to platinum. Our Beluga is produced with a recipe that is less salty than traditional Malossol; the flavor is very creamy with delicate salinity resembling the ocean breeze.

Size of roe: 3.3-3.5 mm

Texture: medium firm

Color of roe: sterling gray to platinum

Combinations: turbot, sea bream, sea bass, cauliflower

Storage temperature: -2° to +3°C

Origin: Farmed in Iran
